Hearing protection

ARTON® EM300M

Comfortable spring steel headband with sprayed-on plastic padding and large ventilation slots.

Your advantages

- no slipping, thanks to optimum adjustment
- no sweating under the headband, thanks to large ventilation slots
- the cups are fully adjustable in height and remain in position, which ensures perfect seating
- moderate contact pressure provides maximum wearing comfort
- easily replaceable padding

Your workspace

- provides ideal protection from noise in loud working environments (recommended in noise levels of between 95 – 110 dB)

Particularly suitable for the sectors

- Pharma
- Industry
- Construction
