Eyes and face protection

## ARTISPEC® 300

Modern, comfortable protective glasses with adjustable arm length and height and soft nose bridge.

With their refreshing navy-orange frame, the glasses are a real eye-catcher. They are the perfect glasses for long shifts. Flexible and adjustable arms allow the glasses to be adjusted to fit any shape of head perfectly. Integrated soft zones in the forehead area and extremely soft nose pads provide a pleasant, pressure-free fit, even when worn for long periods, and prevent tiresome slipping.

### Your advantages

- Modern Design
- Arm screws made of stainless steel
- Height and width of flexible arms adjustable
- Soft nose pads
- Integrated soft zone in the forehead area
- Scratch-resistant
- Anti-fog polycarbonate lenses with UV protection 400
- EN 166

### Your workspace

- Polyvalent use in industry, construction, garden, agriculture and forestry, artisans, cleansings, leisure and hobby area, sport etc.
