Eyes and face protection

ARTISPEC® 310 / 311

Modern, comfortable protective glasses thanks to the option of converting from the bracket to the belt version.

ARTISPEC® 310 / 311 is a model with outstanding anti-fog and scratch-resistant properties. Thanks to the flexible option of converting from bracket to belt version allow the glasses to be adjusted to fit any shape of head perfectly. The extremely soft forehead and nose pads provides a pleasant, pressure-free fit, even when worn for long periods and prevent tiresome slipping.

Your advantages

- modern Design
- convertible from bracket to belt version
- soft forehead and nose pads
- anti-fog polycarbonate lenses with UV protection 400
- EN 166

Your workspace

- polyvalent use in industry, construction, garden, agriculture and forestry, artisans, cleansings, leisure and hobby area, sport etc.
