Eyes and face protection

ARTISPEC® 520

Flexible, indirectly ventilated, anti-fog panoramic goggles in sporty design with protection against chemical splashes and dust.

The ARTISPEC® 520 has first-class spherically curved lenses for an optimum horizontal and vertical field of vision.

Your advantages

- With 99.99% UV protection
- Optimum horizontal and vertical field of vision
- Wide and flexible nose bridge
- Easy to adjust textile strap for secure, maximum comfort
- Good impact resistance
- EN 166

Your workspace

- Polyvalent use for activities where protection against splash water, dust and dirt is important.
