Eyes and face protection

ARTISPEC® 400.1OL & 400.2ML

Colourless polycarbonate safety glasses and goggles with side and eyebrow protection. With (ML) and without (OL) side ventilation.

The ARTISPEC® 400 are protective glasses or over-glasses for wearing on their own or comfortably over prescription glasses. This model has distinctive side and eyebrow protection for additional safety.

The ARTISPEC® 400.2ML version with ventilation also reduces fogging of the glasses when using a simple respirator mask.

The ARTISPEC® 400.1OL and 400.2ML are a flexible solution for ensuring the required safety for guests or visitors whether or not they normally wear spectacles.

Your advantages

- classic design
- side protection
- eyebrow protection
- improved visibility when wearing a simple respirator mask
- polycarbonate lenses with UV protection 385
- EN ISO 16321-1:2022

Your workspace
