Hearing protection

## ARTON® EM200M

Comfortable spring steel headband with sprayed-on plastic padding and large ventilation slots

### Your advantages

- No slipping, thanks to optimum adjustment
- No sweating under the headband, thanks to large ventilation slots
- The cups are fully adjustable in height and remain in position, which ensures perfect seating
- Moderate contact pressure provides maximum wearing comfort
- Easily replaceable padding

### Your workspace

- Provides ideal protection from noise in loud working environments (recommended in noise levels of between 95 – 108 dB)

### Particularly suitable for the sectors

- Pharma
- Industry
- Construction
